Having considered the unstable economic outlook of Hong Kong and evaluation of the current businesses of the Group, the Directors are of the view that it will be difficult to achieve growth of Target Group without commitment of significant working capital, the Disposal provides a good opportunity for the Group to streamline the Group's structure and to further enhance the financial position of the Group and better utilise the Group's financial resources.

The Company intends to apply the net proceeds of the Disposal for general working capital of the Group.

The terms of the Agreement were determined after arm's length negotiations between the parties thereto and the Directors are of the view that the terms of the Agreement are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

## **FINANCIAL IMPACT OF THE DISPOSAL**

Upon Completion, the Target Company will cease to be a subsidiary of the Company and the financial information of the Target Group will cease to be consolidated into the accounts of the Group.

It is estimated that, upon Completion, the Group will record a loss on disposal of approximately HK\$9 million. Such loss is estimated based on the Consideration receivable from the Disposal, i.e. approximately HK\$9.1 million, less approximately HK\$5.3 million, being the unaudited NAV and HK\$12.8 million, being the carrying amount of trading rights as at 15 March 2020. The Directors do not anticipate that the Completion of the Disposal will have a significant effect on the business and performance of the Group.
